*if you have any other requests, please ask. ex.) booking, traffic and anything you want to try

"HibiKitano" is an inn in Kitano area of Kyoto, and shows classic culture & the style of living. Kitano area is one of an old town which has many historical property like our house "Hibi Kitano" was built 220 years ago to not only live but also to operate oil buisness for lantern utilities near "Kamishichien" quarter area. You can feel the histry through the ancient tools and the appearance of this house. Please feel at home and and stay as like as you live.
